

Overflowing Boldness

This is the first week of our OVERFLOW series. This series is intended to help us experience JOY in the Holy Spirit that OVERFLOWS from within us to affect the people around us. I am looking forward to seeing how God transforms people lives here at Journey through this series.

Here's the summer Growth Groups schedule:

Sunday Groups	Wednesday Groups
June 3, 17	June 6, 20
July 15, 29 (Church-wide Event on July 4)	July 4 (Church-wide event), 18
August 12 (Fall Kick-off?), 19, 26	August 1, 15 (Fall Kick-off?), 22, 29

- **Why do you think so many Christ-followers are not bold in sharing their faith?**

- **When you get excited about something (like football, TV shows, babies, etc.), how does it affect how much you talk about it?**

- **If Christ-followers experienced genuine joy in their relationship with God, how do you think it would affect their ability to share their faith?**

- **What is the biggest barrier you experience that keeps you from sharing your faith boldly?**

- **Read Acts 4:31 - After reading this verse, how do you think an increased measure of joy through the Holy Spirit would help you overcome this barrier?**

- **Is there anything your Growth Group can do to help you experience more boldness in sharing your faith? How can we pray for you?**

Growth Group Leaders!

Thanks again for your willingness to serve and to lead others in discussing and growing in their faith. I apologize in advance for not having a more in-depth Leaders' Guide, but as you may know, I've been sick this week, and I also had to spend considerable time preparing the message for Sunday.

I am really excited about what God is going to do in our groups this summer! The launch of the new group went extremely well, so I am confident that both couples' groups are now poised for more in-depth conversations and for future growth. Please be praying with me that more people at Journey would recognize the importance of being in a small group and would join in the awesome stuff that God is doing.

God bless!

Andrew
