

Welcome to the third and final week of *Connection Groups* here at Journey Church! Since we are still in the *Connection Groups* phase of getting the new Growth Groups started, we realize that your group may still have logistical issues to discuss, be sure to work these out before you leave today. We have provided this Travel Guide to give you a taste of what your Growth Group will be like in the coming weeks.

Please try to be done by 12:20 so we can be cleaned up and out before 12:30.

This week, we continue our “Blueprints for Your Life” series by discussing a Blueprint for your work:

- **Complete the “Alphabet Pockets” ice-breaker.**
- ***Ephesians 2:10*: “For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.” Do you know what God has wired you to do with your life? How would you describe your calling?**
- **Have you taken the time to look at the Three Circles Eric has been talking about throughout this series? How has it helped you understand how God has put you together?**
- **When you consider how you are living your life right now, do you seem to be aiming at a worldly view of success, or at a godly view of significance?**
- **As you are considering your personal mission or calling, and as you evaluate the direction that your life seems to be heading, is there one thing you can adjust in your life this week to better fulfill your calling and to aim for significance?**
